Dear Derek and Steve,

We were thrilled with the tremendous contribution that you and so many members of The Sealed Knot made to our History Festival that we held in conjunction with Bristol City Council as part of the city's celebrations for the Golden Jubilee on Saturday 1st June. We realise that many of you worked extremely hard to organise everything so beautifully.

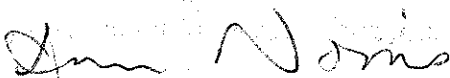

Your displays were spectacular on College Green and escorting HM the Lord Lieutenant Jay Tidmarsh, the Queen's representative in Bristol into the Council House was superb and made the opening ceremony very special. I know that Jay was delighted!

As if that weren't sufficient, the Sealed Knot talk delivered by Steve was fascinating. Those fortunate enough to hear it learnt a huge amount about our city's history.

We know that your presence created great interest to the public and they really benefited from your interesting information area on College Green.

We wish you and all members of the Sealed Knot every success and look forward to working with you again in the future.

We wish you all every success,

Vicki Klein: Senior BBC Producer
